EMOTIONAL INTELLIGENCE

Imagine a party game that married MBTI with CLUE

Emotional Intelligence is a party game that combines deductive reasoning and personality types - think Myers Briggs meets Clue. Use hilarious and thought-provoking questions to deduce your friends' secret personality types in this unique, one-of-a-kind social party game.

BASIC GAMEPLAY

1. You're assigned a secret personality
2. Use This or That questions to gather clues about other players' secret personalities
3. Use your deductive reasoning to guess other players' personalities!

KEY FEATURES

Unique Party Game

Are tacos or chicken wings more abstract? Challenge yourself to communicate using hilarious and thought-provoking questions.

Perfect for Large Groups

Need a game for school or company orientation or holiday parties? Emotional Intelligence, which plays up to 10 players, is here to provide both laughs and entertainment.
